

Precautions & Policies For March 23-29th

We have immediately implemented extra precautionary steps and an action plan to help prevent the spread of the COVID-19. **Simply put, if you are sick or not feeling well please stay at home!** This is a constantly changing situation and from the onset we have been listening closely to the appropriate sources for accurate and up-to-date information. Our goal will continue to be providing our customers and employees with a safe environment.

- ✓ Clubhouse will only be open for use of the restrooms (which will be sanitized hourly). No more than 10 people at a time will be allowed in.
- ✓ Check-in along with food and beverage sales will be completed outdoors.
- ✓ **No Cash.** We will only be accepting credit/debit cards and they must be placed on file when making a tee time. We will not be handling credit/debit cards during this time.
- ✓ We are encouraging walking. We do not have nearly enough pull carts for everyone.
- ✓ **Only one (1) golfer will be allowed in each golf cart to encourage social distancing, unless family members or approved by Legacy.** Please note there could be a shortage of golf carts throughout the day as we will more than likely not have enough carts to accommodate all players.
- ✓ Due to the recent rain, **golf carts will be restricted to the cart paths.** With the recent closures of gyms and health clubs, The Legacy is strongly encouraging **walking**. 😊
- ✓ The driving range will be closed until further notice.
- ✓ Since we are practicing social distancing, we ask that you leave the golf course immediately following your round.
- ✓ Bathroom doors will be propped open to limit the contact of the handles.

Pro Shop:

- ✓ Reservations must be made by calling (515-287-7885 x2). Upon making a tee time, customers must put a credit card on file. This is being done to limit contact. **For example, if one person is not paying for the group, then all players will need to call in and put a card on file.**
- ✓ Since the driving range is closed, there is no need to arrive any earlier than 15 minutes before your tee time.
- ✓ If you need accessories (tees, balls, glove, etc.) our staff is happy to get that for you.

Golf Carts:

- ✓ (1) player per cart unless family members.
- ✓ Legacy staff will clean and sanitize steering wheels, seats, side handrails, GPS monitor and contact points before and after customer use.
- ✓ No scorecard or pencil will be provided.
- ✓ No sand bottles on the carts.

Course Adjustments:

- ✓ **At least 1"** of the cup will be sticking out of the ground. When you hit the cup, your ball is considered holed. **DO NOT touch the hole or flag stick.**
- ✓ No water coolers.
- ✓ No ball washers.
- ✓ No bunker rakes. Please use your feet to smooth the sand.
- ✓ Please be considerate and dispose of your own trash. There will be trash cans available on Hole #1, 4, 7, 10, 12, 15 and at the cart shed.

Food & Beverage:

- ✓ We will only be serving beverages in closed containers (bottled soft drinks and can beer).
- ✓ No mixed drinks, draft beer, coffee or hot chocolate.
- ✓ Hot dogs, brats and cheeseburgers will be made available with limited condiments.

We believe that a golf course remains one of the safest entertainment options. Thank you for following these guidelines and we appreciate your support.
